INSTALLATION

Customer Information: The information in this installation instruction is intended for use only by skilled technicians who have the proper tools, equipment, and training to correctly and safely add equipment to your vehicle. These procedures should not be attempted by "do-it-yourselfers."

NOTE: The tonneau cover cannot be stored on the cargo floor position with a cargo tray installed.

If the vehicle is equipped with a subwoofer, continue with step 1; otherwise, go to step 2.

With Subwoofer

1. Using a scissors, cut the cargo tray in the area shown.

CARGO TRAY
Cut.

2. Open the hatch, and fold down the separator. Place the cargo tray inside the vehicle, and align the rear end to the cargo area as shown.

3. Raise the separator.
